

Download the file in the Instructor Notes and open it in R Studio. As you read through it, read and write code when prompted. When you get to the end of the file, answer this question.

Which of these cars have **mpg (miles per gallon)** greater than or equal to 30 or **hp (horse power)** less than 60? Check all that apply.

☐ AMC Javelin

☒ Honda Civic

☐ Cadillac Fleetwood

☒ Lotus Europa

☐ Ferrari Dino

☐ Maserati Bora

☒ Fiat 128

☒ Toyota Corolla
